

Good morning as we read the Bible we notice that throughout the Bible there are situations that seem negative, some are downright terrible. Abraham & Sarah waiting one hundred years to have a baby, Joseph becoming a slave and then going to prison for years, later to become a Ruler in Egypt. How about Moses and the people of Israel suffered slavery for over 400 years. Note that everyone of these situations I named became their vehicles; their transportation to their ultimate destination and success in God's plan.

Many times the situations or circumstances that we are enduring, the storms that we are facing now, is the very transportation to the destination that God had planned for our lives. God is positioning you and me for the blessings, opportunities or promotions to come.

1 Corinthians 15:58
